Eye like to start at the point of salvation as opposed to creation. So what exactly happened at Salvation? Scripture says in the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him, nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it.

There was a man sent from God whose name was John. He came as a witness to testify concerning that light, so that through him all might believe. He himself was not the light; he came only as a witness to the light.
The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through him, the world did not recognize him. He came to that which was his own, but his own did not receive him. Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God— children born not of natural descent, nor of human decision or a husband's will, but born of God.
The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.
This would be our Genesis. At our beginning everything before this is irrelevant. The things we did before Christ were dead in the baptism pool (or grave) when we were baptized into Jesus Christ. This is just a gift from God, he has given to us.
We come from many different walks of life; and do you mean to tell me that God puts us in the same pool as reformed prostitutes and ex-drug addicts with people who may have lived a wholesome life but just were not Christians? (And even with Christians) Yes, he does because we all could have gone either way the potential was there and in some of us it's still there. Every human being who breathes the same air has something in them that they were born with. And they are called genes. Which is scientific, it is facts. They come from our parents and parents' parents.
What eye believe is in the beginning when Adam and Eve partook of the forbidden fruit they gave the enemy access to our hearts. Because of this, the enemy can get a foothold. Because of certain discrepancies that we would have of a certain reached for, because of this tent we live in, we are prone to gravitate towards the cravings of the flesh. The only escape is Christ. Which is a good reason to see myself at the point of salvation as opposed to creation. King David says He was born in sin and shapened in iniquity
The reason eye chose Christ is because every day is a new beginning until eye reach a place of stability. He takes my brokenness daily and gives me new mercy and new joy.
Because in Christ there is no rush because eye am already complete to God as Christ is complete so he sees me. Every day eye get a new opportunity to present my body to him. And God smiles at my offering. Because eye have received what all of us needed, a new heart and a new spirit. He smiles. He smiles because eye have given up on trying to save myself and be anything without him. Because eye have received the revelation of why eye needed a new heart and a new spirit. That heart and that soul can get you off into the things of the world, emotionalism, and feelings. Which stem from the soul. They are a part of us and therefore good, but when things begin to get unjust weightish we have a problem, normally coming from the heart or the soul. It is a sign that the things that happened in the beginning with Adam and Eve are playing a larger role in your life than you would care to know. This can be anything from eating the whole box of ice cream, to not being satisfied with one's life and choosing to bring drugs in the picture, to satisfy the demand of the heart.
When you do not have the new heart there is a big chance you are dealing with the very serpent himself that has made it to the throne of your heart by ways of the seven deadly

sins things like jealousy anger and pride. Because people think to themselves at least eye am not doing this or that. When the enemy is continent with you not being able to get over what happened to you in your childhood. And while you are over there trying to meet the demands of your “heart” holding on to bitterness because of what your mother couldn’t do for you as a child. Eye am over here with a new heart, just chillin' working on the newness of life and the second chance at pulling it off that God has given me. When the things you come up with involve breaking the law it is the serpent when it involves sin it is the serpent when it is involving compromise it is either the serpent or you are headed toward letting the serpent call the shots. But Newness!

When God comes in he comes not to judge you or me, but to judge what we will soon find out, these enemies of our God-given destiny that have made it on the inside of us. To the thrones of our hearts To eliminate them one by one. And to pour his love into our hearts. This is miraculous but it is Facts! This is where eye found freedom.

After living life and finding out the things that eye was doing in the beginning that innocently made it to my heart they had an agenda. Scripture says how can a strong man's house be plundered unless the strong man is tied up and bound. And when we knowingly do things that scripture has clearly warned us not to do and what would happen if we did them and when we did them anyway. Guess what happened. In the end, the thing scripture said would happen: death happened.

You see in the beginning when Eve and Adam partook of the fruit they noticed they ate it and didn’t die so God must have been wrong about that but in the end of a certainty they did die. The enemy is subtle. And we too can look and see things God said or the scripture says and the repercussions of them and it happens every time; but don’t you know some are deceived by the enemy causing them to believe it was a coincidence?

Eye discovered the spirit is making things new so eye am getting in on this and making things new in the natural. Me, being a joint heir with Jesus Christ. By ways of the spirit who is supplying me with newness. Now in the natural world if eye hadn’t lived a compromising life I was called to be a prophet and a preacher even a Pastor. Because the gifts and callings of God

are irrevocable eye am here with all of this anointing and instead of sitting around doing nothing all day, eye put it in the form of a book and writings. It’s because eye am the newness of life, eye can do it. And just as he gave me a clean slay and reinstated me, put me in the game. You too, the gifts he has given you are still in you. They are just lying dormant waiting for you to believe and then act. I show you my works by my faith They are irrevocable.

You see all of the trouble you have had in your life every attack of the enemy was to force you to stop believing anything good about yourself and God. to convince you that the truth was a lie and a lie was the truth. But you didn’t know that giving your life to Christ meant you were reinstated and that he put it on you to succeed. You couldn’t do it before because you had crossed paths with the serpent and he birthed in you one or more of the seven deadly sins.

This right here is why we all need a new heart. Because we don’t see with the natural eye what happens when we compromise. For those who would be thrown into the pool with the ex-prostitutes and the former drug addicts. Those who hadn’t made some of

the choices we made. A lot of us chose to do certain things because of our ancestors and our parents and parent's parents. This is where the spiritual has hurt our lives in the form of generational curses. The things our parents and them didn't stand up to and say no to caught up with us. The only thing is they caught up with the wrong ones; this is the generation of Mitchells who know their authority and Power. Eye said no to some things because he gave me the supernatural power to say no. The same thing he would have done for them had they had the boldness to bind them on the earth.

And eye will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.

(Mathew 16:19 KJV)

So a lot of folks didn't and don't know anything about a generational curse all you know is that you just like to have sex. But that could be a thing that has attached itself to you because it was passed down from your parents and them.

Getting back to the matters at hand, one who has lived a loose life would see why they would need a new heart and would even welcome a new heart. But one who has not lived a loose life might say, why eye got to do that? Eye haven't done xy and z. It is making it official that eye have ended life to myself and begun living life unto God. It is just because you haven't lived a life of compromise doesn't mean you won't compromise. You have the gene that all it would take is the right place and the right time. It's just like how alcoholism they say is passed down, it is genetic it is scientifically proven. The only sure way they would not become an alcoholic is if they don't take that first drink. Well, a new heart eliminates the possibility of you taking the first drink. The gene that was passed down from your father is not in the new heart. The new heart is unto God whereas the old heart is and always will be subject to sin. Via yours and mine ancestors Adam and Eve. And as long as we operate from the old heart we put at risk everything that God would want to do in us and for us. We cannot pour new wine into old wineskins unless the wineskins would burst and the wine would be ruined. This is why in the Old Testament God instituted circumcision. And he brings it into proximity to the heart. In the old covenant, everything was temporary until grace and truth would come and we could get a clear understanding of God. (John 1:14) This is why our new starting point is from John 1:1-14 because there are a lot of things he had to do in us and for us to bring us up to code. And he wants to clear up any ideas you and eye may have of him being anything other than grace and truth. When at the end of the day we discover we had been hoodwinked by the devil. Some of us are cheated of our inheritance and birthright. And when the only thing you are about is sex and drugs. I'd say you have been gotten. But that doesn't have to be the end of your story if you'd believe it. Because if you are a believer. Christ ascended high led captivity captive and left gifts for men. You have a purpose now if you didn't believe you had one before. That illusion is smashed and Destroyed. Now you will still be you. The gift is where Christ will supernaturally reveal himself to you and through you because it is something you couldn't accomplish with your strength and ability. It is to testify to the miracle of Christ being the son of God. you have a purpose, the gifts you have, the life of Christ will come beaming through. It is for you and others to be able to look and see that which you could not do in your ability and

strength before you are now doing. With the hopes of someone being convicted by the holy ghost who knew you when and be able to say what must eye do to be saved? It has always been about you being very powerful; the fights you were under spiritually he didn't want us to get a whiff of who we were. Keeping us preoccupied by all of the distractions which may have come in many forms. To prove you were nothing had nothing and would never be nothing. But God won out because he is extremely patient with the broken. Scripture says in these earthen vessels are hidden treasures. There are many reasons why it couldn't happen for you until now. For me it was pride. Eye had to find out firsthand that in all that eye believed myself to be what eye was and am without him, God allowed it. So now if it happens there will be no room for gloating for one there is no room for me to take the credit (or you) It is because and only because he quickens the dead that we are pulling it off. Now when you get a degree it is for the kingdom of God and because of the kingdom of God. or whatever miracle that happens surrounding your newfound walk with God. it is a testimony to the glory of God. Scripture says Abraham believed against hope. Yes someone may say but why now after all of this time God would allow me to go back to school, God would allow me to open my own business? God had to remove all of the possibilities of it being you and not him who performed this great miracle in your life. And that is why those who had discounted us will be ashamed and repent they stopped praying for you and fell into disgust. They judged us knowing the scripture says not to do it. They counted us out. Not knowing God is for the underdog too. This is a perfect time for God to choose the foolish things of the world to confine the wise. Those who are puffed up and impressed with themselves. They fancy themselves to be something in and of their own merit. He will use a person like you and me. Seeing we have humbled ourselves and have made our lives revolve around him. While the college student was busy with school work eye was busy before God in worship and prayer in supping at the communion element table in serving others. And it pleased God to give me my miracle, eye was busy honoring the Lord by giving of my resources into the Kingdom, sharing with others out of the overflow He has blessed me with. And it pleased him. Trust me don't count anyone out, he will mess around and make it happen for them. It is not a surprise for me that God would do it now, although eye am very humbled by it and grateful. If you know God this is so God. The scriptures that have always been with me for a long time are these "But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us". (2 Corinthians 4:07 KJV) " But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty;." (1 Corinthians 1:27 KJV)So the last shall be first, and the first last: for many be called, but few chosen.
